Projects

Fitness Tracking Site | UMBC

January 2024

- Developed a fitness tracking website using **HTML, CSS, JavaScript, and PHP** to log and display user workout data, including reps and weight.
- Designed and implemented a **SQL** database to securely store and track user progress, enabling real-time data retrieval and analysis.

Hotel Database Management System | UMBC

May 2023

- Developed a hotel database system using **SQL** to manage guest reservations and billing, streamlining data retrieval and improving optimization by **35%**.
- Collaborated with a team to create efficient SQL queries for reporting, enhancing data accuracy and improving system performance.

ETL Payroll Management System – Team Lead | UMBC

October 2022

- Led the transition from an outdated payroll system to a new **ETL** solution, streamlining payroll processes and enhancing overall system reliability.
- Collaborated with cross-functional teams to design and implement system improvements, optimizing workflows and ensuring a seamless user experience for payroll staff.

Experience

Ameriprise Financial

Feb. 2024 – May 2024

Financial Analyst Intern

Towson, MD

- Analyzed client financial data using Salesforce and **Excel**, streamlining data processing and accelerating report generation by 15%.
- Prepared financial reports and summaries for advisors, helping them provide clearer insights to clients.
- Worked with multiple IT teams to troubleshoot and resolve technical issues in financial reporting systems, improving data reliability.
- Supported financial planning efforts by generating reports and conducting portfolio research, enhancing advisor decision-making with accurate data.

Al-Kareem School

Oct. 2020 – Present

Website Developer; Teacher; Board Member

Lutherville-Timonium, MD

- Teach and mentor students aged 6-15, fostering an engaging and supportive learning environment.
- Develop and maintain the school website using **HTML/CSS**, improving accessibility and communication for students, parents, and staff.
- Serve on the Election Committee, organizing administration elections to promote leadership and civic engagement.

Leadership / Extracurricular

Hiking Club

Aug. 2020 – Aug. 2022

Event Coordinator

Community College of Baltimore County

- Organized and led climbing events, coordinating logistics and ensuring participant safety.
- Managed communication between club members and local trails to facilitate group sessions.
- Developed promotional materials and social media content to increase club engagement.
